

APUSH Summer Assignment 2023

Dear APUSH student,

I am so excited to get to know you and to study US history along side you starting in August! It is important that you understand that APUSH covers US history from 1492- the present, so we will move quickly, and a great deal of the work will be on your shoulders. I have designed a summer assignment for you to start getting used to learning history on your own so that when we start school we will all be prepared to offer up important information to the class.

The summer assignment focuses on the first unit that we will cover together. It will be due the first week of school, so come prepared.

I cannot wait for us to learn about the exciting history that our nation has together!

Have a productive summer,
Mrs. McNatt

You have 2 tasks for the summer assignment.....

1. Read the first chapter of the text book. Pick up a copy from Mrs. McNatt before summer. If you do not enroll at AHS until the summer, then get the book from Mrs. McNatt on the 1st day of school. Read for understanding, (highlight, outline, take notes, etc.) because there will be **a quiz the first week of school.**
2. Define the terms from the vocabulary list. The **first vocab quiz will be on Friday** the first week of school. Use your textbook to create your definitions.

Vocab list 1

- | | | |
|-----------------------------|-----------------------|-------------------------|
